Attention: Mr Dan Douville, Quality Manger

Dear Sir;

Use this letter as the BHTCL authorization to manufacture commercial tubes assembly in accordance with the furnished TSP where the MEPI indicates to manufacture them to drawing.

This is limited to the tube configurations as all tube materials and detail components shall be in accordance with the Bell engineering drawing, the MEPI and all other applicable documents listed in the purchase order.

Note that this letter of authorization does not apply to 427 and 429 models tubes

assemblies. Yours truly,

Daniel Larocque
